Fraud Rate

RTGS has the highest fraud rate (1.85%) — more than double the average. Fraud also tends to involve much larger amounts (₹1,19,446 vs ₹29,107 normal). Big transfers carry the most fraud risk

merchant category	Total Transcation	Fraud Count
Retail	66,180	594
E-Commerce	54,767	502
Food & Dining	54,776	471
Salary	43,937	396
Travel	44,177	388
Total	2,63,837	2,351

96.7% of fraud customers had only one fraud case — there's no group of repeat fraudsters. Fraud is linked to transaction type and value, not specific customers
